Forecast For East of England
Issued by Met Office Exeter
at 0400 on Tuesday 03 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and isolated showers Tuesday. Fine tonight.

Today:
A bright and largely sunny morning for many, though cloud increasing towards midday. Warm sunny spells during the afternoon with a few heavy, slow-moving showers developing, mainly inland. The best of the sunshine near eastern coasts. Light winds. Maximum temperature 22 deg C (72 deg F).

Tonight:
Any showers fading away through the early evening, then remaining dry overnight with mostly clear skies. Winds remaining light and becoming rather chilly by morning. Minimum temperature 9 deg C (48 deg F).

Wednesday:
Another fine and mostly sunny start. Sunny spells and scattered showers developing late morning onwards, some heavy and locally thundery by the afternoon. Light winds. Maximum temperature 23 deg C (73 deg F).

Outlook for Thursday to Saturday:
Sunny spells and showers each day. A risk of afternoon thundery downpours at times, perhaps with a longer period of rain Thursday. Becoming breezier. Temperatures near normal or rather cool.
